Economic Impact of COD – Joel Kinnamon

Dr. Kinnamon reviewed the impact that COD has on our valley.

Some of the highlights:

Most Community Colleges in the state are experiencing a decline students while we at COD are experiencing a significant increase. Our impact is about \$1.2 Billion dollars a year. Our operating budget is \$302.8MM per year and goes to support over 5,000 jobs in the Coachella Valley. We have had issues with connecting the community with student employees. The Foundation along with college staff are developing a One Stop career center, an initiative that can connect students to jobs here in the Valley. As we grow we have a larger and larger impact on the community.

Dr. Kinnamon gave an update on the satellite campuses in Palm Springs and Indio.

Approval of meeting minutes as distributed

It was M/S/C Suz Hunt/Donna MacMillan to approve the December 2, 2015 Board Meeting Minutes.

Financials Review – Kirstien Renna

Kirstien reviewed the November 2015 financials.

It was M/S/C Vern Kozlen/Bill Chunowitz to approve the November 2015 Financials.

Foundation Standing Committee ReportsFinance Committee - Suz Hunt

Suz reviewed investment reports from Wells Fargo and Merrill Lynch. The committee was surprised by a realized loss of \$91K from Wells Fargo. Brian Hsieh explained that they had found out that some of the commodities were not doing well and it was decided by WF that it would be best to sell and incur a greater loss if held. Suz explained that the committee is attempting to come up with criteria to give to the investors as to what level of loss should be discussed with the Foundation Investment Committee by the investor.

Overall the results for the quarter ending December 31, 2015 are as follows.

Foundation Account actual returns:

Merrill Lynch had a return of .45% vs. a benchmark return of .72%

Wells Fargo had a loss of <0.72%> vs. a benchmark return of .71%

Capital Campaign Account returns:

Merrill Lynch had a loss of <1.37%> vs. a benchmark return of .69%

Wells Fargo had a loss of <0.57%> vs. a benchmark return of .73%

Investors were seen separately this time which will be continued. The issues talked about by both companies were: China (6% of our investments in ML and none at WF), oil and emerging markets. Wells Fargo felt a shift to large Caps would be beneficial avoiding emerging markets and looking to European market.

Results are depressing and will probably get worse but it is important to focus on the long term. ML are trying to move away from so many mutual funds.

It was M/S/C by Diane Gershowitz/Vern Kozlen to approve the January 20, 2016 Investment meeting minutes as presented

Academic Angels – Jan Harnik

Jan was absent and Peter Sturgeon reviewed the great financial success, over \$320K that was Citizens of Distinction. Mary Latta was recognized for her hard work. Academic Angels and President Circle members are getting together to see the Open Book 2 on Feb. 4. This is a collaboration between the McCallum and COD. Planning of the spring luncheon and the Coeta Barker event in April.

Development - Peter Sturgeon

Peter encouraged our members to put together tours. Diane Gershowitz had over 50 friends that she engaged to come on a tour. Mark Nickerson and Donna Jean Darby.

Scholarship reception on Feb. 24th we need board members to step in and help.

Stepping Out update – Diane Gershowitz and Jim Hummer

Diane gave an update on the event we are over 65% of goal. She encouraged everyone who hasn't to step up to the Roadrunner sponsorship level, we also have a Suite Deal left and need a presenting sponsor since Wells came in at \$10K we have \$65K to make up. One of our campus tour attendees who had never been on campus actually stepped up for a \$25K sponsorship to the event. We've sold 50% of the tickets at the McCallum without our advertising which starts in February. We need all the assistance with sponsorships that we can get.

Academic Senate President – Dr. Kelly Hall

No report, Dr. Hall absent.

COD Trustee – Bonnie Stefan

This was Bonnie's first board meeting as the Trustee representative. She is looking forward to working with us all again.

Foundation Board President – Mark Nickerson

Mark reminded the members that participation at the meetings is very important. We have to work harder at securing sponsorships for Stepping Out. There is dismal participation with only 9 out of 31 board members sponsoring the event. Diane reminded everyone that our responsibilities as board members is \$5K per year.

Adjournment 4:10 p.m.

Brown Act Invitation for Public Comment

No cards were submitted from the public

Monthly Financials – Kirstien Renna

December and January financials were discussed. After reviewing the operation budget page, Vern Kozlen asked if it was possible to add a column which would include variance percentage of where we are on a calendar basis. In some ways the variance does not tell us the whole story as we all realize that timing could be an issue especially when it comes to events. Lisa Howell suggested that a column could be added to the right of previous year which would give us a comparable of where we were at in the past.

Investor Fees – Suz Hunt

Review of the investor fees for the past 3 years. The key is to make sure the investors do this every year.

Mid-year operating budget revisions – Jim Hummer

Jim presented the mid-year correction on the operating budget. A variety of line items will be reduced. Jim asked that the P&L for Stepping Out be sent to the committee.

Allocation of dollars to investors – Suz Hunt

The committee discussed the establishing of a policy governing the distributions of dollars to investors. The Foundation is presently trying to balance the amount of dollars in each investor account. Bill Chunowitz suggested it could be based on past performance to benchmark or equally. After discussion it was decided to get a look at the figures on a rolling 3 year average that will be discussed at the next Finance meeting in March.

Update on new financial formats – Lisa Howell

Foundation met with Carlsen Brabo, our Auditors, to discuss the reporting of the unrealized losses. We would recommend that since we have to report that we change the line 22 and move it below the line. It would be its own line item making it a more realistic view of what actually occurred.

Ex:

OTHER INCOME AND EXPENSES

Realized Gain/(Loss)

Management Services

Other Investment Expenses

Unrealized Gain/(Loss)

INCREASE (DECREASE) IN NET ASSETS

Other concerns were multi-year pledge, which we have been reporting correctly.

Compared to most the auditor said that our endowment is in great shape.

In regards to the Administrative fee that we wanted to charge to the YOU CAN campaign the Auditor said that we cannot. Moving forward this information has to be stated on our collateral.

Lisa suggested that there might be a way that can be worked mirroring what happens with money coming into the College (fund 12) that an indirect cost percentage of approx. 15-18% for administrative costs.

Next meeting March 23, 2016 from 4:00-5:00pm

Adjournment: 5:15pm
